

toxic substance at a DOE facility on the basis of whether it is at least as likely as not that exposure to a toxic substance at a DOE facility during the course of employment by a DOE contractor was a significant factor in aggravating, contributing to or causing the illness or death of the worker at issue.

§ 852.9 What materials must a Physician Panel review prior to making a determination?

The Physician Panel must review all records relating to the application that are provided by the Program Office, including but not limited to:

- (a) Medical records;
- (b) Employment records;
- (c) Exposure records;
- (d) Occupational history;
- (e) Workers' compensation records;
- (f) Medical literature or reports;
- (g) Any other records or evidence pertaining to the applicant's request for assistance;
- (h) A medical examiner's report, coroner's report, or death certificate for any application submitted by an estate or survivor of a deceased worker; and
- (i) Information submitted as a part of such a claim or developed by the Department of Labor (DOL) or by the Department of Health and Human Services (HHS) in the course of processing a claim for the applicant, including, where applicable, estimates of an applicant's cumulative radiation dose and the calculated probability that this dose was responsible for a cancer that is the subject of the claim, for any application submitted by an applicant also applying to DOL for benefits available under the Act.

§ 852.10 How may a Physician Panel obtain additional information or a consultation that it needs to make a determination?

If, after reviewing all materials provided by the Program Office, a Physician Panel finds that it needs additional information or consultation with a specialist in order to make a determination, it must request this information or consultation through the Program Office. A Physician Panel may request:

(a) A recorded interview under oath with the applicant, by an individual designated by the Program Office, if the Physician Panel believes only the applicant can provide the necessary information.

(b) That the applicant provide additional medical information;

(c) Additional relevant information under the control of DOE or its contractors;

(d) Consultation with designated specialists in fields relevant to its deliberations;

(e) Specific articles or reports, or assistance searching the medical or scientific literature; or

(f) Other needed information or materials.

§ 852.11 How is a Physician Panel to carry out its deliberations and arrive at a determination?

(a) Each panel member reviews all materials relating to the application.

(b) All panel members meet in conference, in person, or by teleconference in order to discuss the application and arrive at a determination agreed to by a majority of the members of the Physician Panel.

§ 852.12 How must a Physician Panel issue its determination?

A Physician Panel must submit its determination under § 852.8 and the findings that provide the basis for its determination to the Program Office. The determination and the findings must be in writing and signed by all panel members. The findings must include:

(a) Each illness or cause of death that is the subject of the application.

(b) For each illness or cause of death listed under paragraph (a) of this section:

- (1) Diagnosis;
- (2) Approximate date of onset;
- (3) Date of death, if applicable;
- (4) Whether the illness or death arose out of and in the course of employment by a DOE contractor and exposure to a toxic substance at a DOE facility;
- (5) The basis for the determination under paragraph (b)(4) of this section;
- (6) A determination concerning any other medical issue identified in the relevant State Agreement; and
